

ONLINE WORKSHOP SERIES SEEDING THE FUTURE

For experienced gardeners interested in growing seeds for production or home use

Join our virtual seed saving cohort

Starting in January 2025, Hawaii Seed Growers Network will lead an online seed production series, demonstrating small-scale cultivation and seed production methods specific to Hawaii's unique growing environments. Join our seasoned team of seed savers in this 10-week course and learn how to save locally grown seed from 4 culturally relevant specialty crops.

Register for Dec. 4 Info Meeting
